## AGRICULTURAL COURSE

Ohio State University Offers Extension Service To All Classes.

Although started primarily for individual study, the correspondence courses which are being started by the Agricultural Extension Service of Ohio State University are also available for classes organized by grangers, farm clubs, young people's clubs, farmer's institutes, county and city Y. M. C. A. organizations. An additional feature has been added to the class study, the Extension Service arranging to send a representative at some time during the course to meet with the class and assist in the work.

Each course of the 22 offered is entirely without charge to any resident of Ohio, whether or not he or she is actively engaged in farming or is living in a rural community. The courses contain from 4 to 14 lessons, each lesson including 20 to 40 typewritten sheets and questions covering the instruction given. Instructors from the agricultural faculty prepared the courses. A bulletin explaining in detail each course will be sent upon application to J. E. McClintock, Supervisor of Correspondence Courses, Ohio State University, Columbus, Ohio.

Because of the prevailing wet weather this summer, seed corn picked this fall is likely to contain a very high percentage of moisture. Extra care should be used and is necessary in storing the seed corn until planting time.

Burning straw is a wasteful practice. Anyone who burns a ton of wheat or oat straw, destroys more fertilizing ingredients than are contained in the average ton of manure from the barnyard. The place for the straw is back on the land.

Two Jackson county and one Allen county boys won the first honors in the annual students' stockjudging contest at the State Fair this year. The three boys, Seniors at Ohio State University in Continued on Eighth Page.

### A PINE WHOOPING COUGH REMEDY.

Mothers, Dr. Bell's Pine-Tar-Honey is just the remedy for your children's cold ailments. The fact is that pine is a quick enemy of cold conditions. Its qualities loosen the mucus in the throat, soothe the lungs and open up the air passages. The combination of honey, soothing and pleasant, with the loosening pine quality, makes this an ideal cough remedy for children. Each passing year brings for it new friends. A family of growing children cannot afford to be without it. 25c a bottle.

## HIGH CLASS MUSIC

Director Koehler and the Newsboys Band Will be Here.

On the evening of Sept. 23, at 7:30 o'clock Mr. Gus. Koehler, the well known band master of Toledo will bring his boy band to Perrysburg and give a concert on the corner of Louisiana avenue and Second street.

Mr. Koehler is bringing this band here free of charge for the purpose of stimulating a desire among local people for the organization of a Boys band in Perrysburg.

Among the band will be a little 10-year old lad of whom Koehler says he will make a second Herbert Clarke.

In case of bad weather the concert will be held in the town hall. Everybody invited.

### "MOVIES" FOR PERRYSBURG.

Rev. Kiebel, pastor of St. Rose Catholic church, has the progressive spirit and will soon inaugurate a "movie" house in Perrysburg.

Improvements now being made in the old church building will make it a comfortable and commodious up-to-date theater with splendid stage and scenery, suitable for the production of home talent plays, concerts and lectures, and will also be equipped with the necessary appliances for producing high class moving pictures.

The entertainments given will be open to the general public as well as to members of the church congregation, and as it will not be conducted strictly as a money making proposition, this fact will permit of the engagement of a higher grade of films than might otherwise be shown.

There is much need of such an amusement enterprise in Perrysburg and Rev. Kiebel is deserving of praise for his efforts to give the public what has long been desired.

### SIGN YOUR NAME.

All letters or news items sent the Journal by mail must bear the name of the writer to insure publication. We do not publish the writer's name, but must have it in order to protect ourselves from imposition. No items will receive attention unless we have the author's name. Please remember.

### Worth Their Weight in Gold.

"I have used Chamberlain's Tablets and found them to be just as represented, a quick relief for headaches, dizzy spells and other symptoms denoting a torpid liver and a disordered condition of the digestive organs. They are worth their weight in gold," writes Miss Clara A. Driggs, Elba, N. Y. For sale by all dealers.

## MAUMEE VALLEY

Pioneers Held Annual Meeting at Fort Meigs Last Saturday.

With the Perrysburg band and a fife and drum corps to furnish the music, and with patriotic songs by the audience, the annual meeting of the Maumee Valley Pioneers was held at Fort Meigs last Saturday and proved a pleasing event.

Judge Baldwin, of Bowling Green, was the principal speaker and the address, in his usual pleasing and entertaining manner, closed with an admonition for all to support the President in his effort to avoid war. Among other things he said:

"We should thank God that the helm of state is in such steady hands at such a critical time."

General J. Kent Hamilton, of Toledo, said that he, too, is for peace, but "peace with honor." He expressed admiration for the President, and said that while we cannot tell what may happen, he considered it but the part of wisdom to be prepared for any event that may come. He referred to our lack of proper defenses and expressed the hope that the administration would see the necessity for preparation.

Mr. George Mills, a sturdy pioneer of 90 years, was introduced and sang the campaign song as sung by the supporters of Gen. Harrison at Ft. Meigs in 1840, when Harrison was running for President.

Among those who furnished reminiscences was Mr. John D. Muir, of Pemberville.

A male quartette furnished several pleasing selections.

### PASSING OF MRS. RIDER.

On Saturday, September 11, 1915, at 6 o'clock a. m., Mrs. C. F. Rider passed away at the age of 52 years 11 months and 9 days.

She was a daughter of Henry C. and Jeannette F. Lawrence, both deceased, and was born in Perrysburg. She received her education in the Perrysburg schools and in her youth was a member of the Presbyterian Sunday School, later uniting with the church, which membership she continued until her departure.

In 1884 she was united in marriage with Mr. C. F. Rider, then an engineer on the T. & O. C. R. R., and for five years resided in Bucyrus, moving to their farm near Lima City in November, 1889, where they have since resided.

Mrs. Rider had been in poor health for several years, but bore her suffering with much patience and was fully prepared for her departure.

The funeral was held at the First Presbyterian church in Perrysburg on Monday afternoon, Rev. Dr. Pheley officiating, and was attended by a large concourse of neighbors and friends, evidencing their appreciation of the many excellent qualities of the departed, and sympathy for the bereaved husband.

Among the out-of-town friends and relatives were Mr. and Mrs. George Breed, Mrs. Susie Miles, Mrs. Marion Fortune and Mrs. Mary Funkhouser of Detroit; Mrs. V. Rollins of Fostoria; Mrs. Lewis Bowers of Bucyrus; Mr. and Mrs. George Bassett and Miss Anna Johnson of Toledo, Mr. and Mrs. James Reder, and Mr. and Mrs. Charles Current of Tontogany.

The remains were placed at rest in the beautiful mausoleum in Ft. Meigs cemetery.

—Mr. Geo. Roose left Tuesday for Oberlin, where he is attending college.

## EVERYBODY WILL WORK

It Will be an Old Fashioned Road Building Bee.

Doctors, lawyers, preachers, teachers and the editor, will be out on the job on Wednesday morning, Sept. 22, at 7 o'clock when the procession of Perrysburg citizens, clad in overalls and working shirts, (and some without shirts) will tackle the job of rebuilding Pine and Hickory streets and place these thoroughfares in passable condition so that the Belt line road up and down the east and west sides of the river may be traversed without passing over Front street, the abominable condition of which is a disgrace to the village.

It was at the meeting of the Civic association on Monday night that the project was taken up and every man present pledged himself to not only boost the game with talk, but to add some muscle to the boost and it is agreed that every citizen whose system is filled with a desire to boom his own town will be present at 7 o'clock a. m. on Wednesday morning, Sept. 22 at the corner of Main and Front street prepared to join the procession in its march to the gravel pit.

It is desired that water carriers, advice givers, knockers, loafers and the "I told you so" fellows will emigrate to Maumee during this old-fashioned, yet new-fashioned, street building carnival.

Every citizen of the township will be solicited to get into the work and contribute his share toward rebuilding a road that is of general use to all drivers of vehicles. G. Fred Hoffman and A. J. Witzler are a committee to call on all citizens to come to town and help.

The ladies of the town will be invited to prepare a dinner for the workers.

Automobile owners in the country adjacent to town, being especially interested in the good roads, will be welcomed in the company of workers.

County Surveyor Gallier will have charge of the grading and filling and will have a steam roller on the job.

It's no joke!  
It's a bone fide determination to do something that is much needed for the village and every owner and driver of any kind of vehicle and all kind of help is desired and solicited.

If you can't BOOST  
Come and PUSH—  
If you can't PUSH  
Get out of the way—  
Just for once in the history of Perrysburg, let

### EVERYBODY PUSH!

### PUBLIC MEETING.

Rev. J. W. Smith, a prominent Temperance Speaker, will deliver an address on Main street in Perrysburg, Saturday evening, Sept. 18. Mr. Smith comes highly recommended by J. T. Hoshel, Manager of the Lucas County Dry Campaign.

If it is a stormy evening the meeting will be held in the Town Hall.

ROBERT PARGELLIS, Chairman of Com. on Speakers.

### RHEUMATISM AND ALLIED PAINS—THEY MUST GO.

The congestion of the blood in its flow causes pain. Sloan's Liniment penetrates to the congestion and starts the blood to flow freely. The body's warmth is renewed; the pain is gone. The "man or woman who has rheumatism, neuralgia or other pain and fails to keep Sloan's Liniment in their home is like a drowning man refusing a rope." Why suffer? Get a bottle of Sloan's. 25c and 50c. \$1.00 bottle holds six times as much as 25c size.

## PICKED BEST MEN

Ford Plate Glass took Players from City League to Defeat Perrysburg.

Perrysburg lost their game Sunday to the Rossford Plate Glass team, 3 to 0.

The Fords did not bring their regular team as they knew they could not win. They picked players from three city league teams in order to give Perrysburg a beating, and this they did, with help on close decisions and the errors and logy playing of the locals.

The visitors played a fast snappy game while the home boys played an up-hill game.

The Fords got their first run on a double, two wild throws to first by Engle. Their second run was made on a walk, stolen base and a hit. The last run came in the fifth with two out and a man on second when Hoffmaster dropped a fly ball.

The city boys could do little with Engles curves after the fifth. It was a pitchers battle as C. King was working good throughout the game. The pitchers worked about even. Engle allowed seven hits and struck out eleven. C. King allowed four hits and struck out six. The batting honors go to Harper of the locals and Fathers and Bayers of the visitors, each getting two hits.

Next Sunday the Goffney All Stars will be here for a game. This team is claimed to be a fast bunch of ball players and will make Perrysburg play hard to win.

### HE IS GRANDPA NOW.

Yes, it's true! Mr. William Mills is grandpa now. We knew all about it last week, but Billy was so swelled over his new title we feared he would lose all his buttons if we mentioned the fact. The baby arrived in Detroit about the first of September. On the following Monday Mills told Roy Waffle it was a girl, and on Tuesday he said "her" name was "John," since which time Waffle has been wondering if the girl is a boy, or if she is twins. No use asking Bill—he don't know—yet.
